TELEGRAPHIC**The Pullman Regatta.**

Pullman, Ill., 22.—Promptly at 10.30 the men entered for the first of the preliminary heats in the great single scull race of the day, they took water in the following order: Hanson first, McKay second, Lee third, Paik fourth, Brice and fifth. Hanson won easily, Lee second, McKay third, Brice and fifth. Time 22.19; distance, three miles, with turns. Two more preliminary heats are to be rowed this morning. The day is pleasant. There is a large crowd. The water is rather choppy.

The second heat, in which Riley, Teemer, Kennedy, Hosmer and Flatted were entered, was won by Hosmer. Teemer second, Riley third, Flatted fourth. Kennedy was distanced. Time, 43 minutes, 10 seconds.

Third race, Hamm, Weisberger, Gaudar, Elliott and Clayton, was won by Gaudar, Hamm second.

Kennedy's failure to make good time in the second heat was explained toward the finish, when his shell, which had been injured the day previous, parted completely in two and he was compelled to make his way here clinging to fragments.

The result of the third heat makes the starters for the decisive race this afternoon Hanson, Lee, Hosmer, Teemer, Gaudar and Hamm.

4 p.m.—A stiffening breeze has been blowing from the northeast for two hours and the water at present is choppy, and it is now probable the decisive race will be postponed as late as 6 o'clock, but the intention is to row to light if possible.

5.45 p.m.—Hanson wins, making the race in 22 minutes, 30 seconds. Hamm second, Hamm third.

The Hill Investigation.

Washington, 22.—In the hill investigation a statement was read from D. M. D. representative of the United States Fire Proof Storage Company, wherein he denies the statement made yesterday by Taylor, of Main, Cooper & Co., to the effect that he offered to bribe Taylor to withdraw his bid. Hill again took the stand and testified that he did not show the secretary of the treasury the letter charging bribery, but reported the same verbally. Coleman, attorney for the prosecution, asked for an expert to assist in examining the contract for the St. Louis position, claiming extensive frauds existed there. Hill's attorney objected. The chairman said he would finish the investigation of the Philadelpia contract before taking up the St. Louis or other points. Adjourned until Monday.

Childs' Generosity.

Chicago, 22.—The German town (Pa.) Telegraph one of the oldest and most profitable weeklies in Pennsylvania, has been purchased through the generosity of George W. Childs, by Henry W. Raymond, son of the late Henry J. Raymond, who has been for years past literary editor of the Chicago Tribune. The transfer does not take place until August 1st.

Hanged.

Clarksville, Ark., 22.—To day Gale and Jim Jonson, McDonald and Herndon, who last March murdered Conductor Can while riding the Little Rock and Fort Smith train, near Mulberry station, were hanged in the presence of a crowd of several thousand persons.

The Queen Back to Windsor.

London, 22.—Queen Victoria left Balmoral for Windsor.

For SOZODONT all ladies cry,
And gentlemen, or high or low,
For nothing else that they can buy,
Will give the mouth its freshest glow.
Will keep the teeth so sound and white,
And make the breath a sweet delight.

Anti-Jews.

St. Gall, Switzerland, 22.—Serious riots against the Jews occurred here. A number of Jewish shops were pillaged and the police stood while endeavoring to stop the excess. Soldiers were summoned to quell the disturbance.

A Compromise.

Paris, 22.—Gau tiers says: The Marquis Turgot, Chinese ambassador, at an interview yesterday with Prime Minister Ferry, declared government was desirous of compromising the difficulty between France and China. There will be a further interview between Marquis Turgot and Ferry, and there are prospects for a satisfactory arrangement.
